

Natural Resource Management (NRM) Plan Community Consultation

North West Local Land Services

Are you interested in contributing to the NRM priorities for North West NSW?

The Regional NRM Plan summarises the priorities and highlights the ways in which stakeholders can discharge their NRM duty and contribute to achieving goals across the North West Region, and it's time for an update!

We'd love to hear your ideas and get your input into the prioritisation of actions for your local communities at any of the below forums ...
